

**DRAFT**

**APPENDIX TEN**

**MACT Standards Implemented in Manitowoc  
County and Upwind Counties**

<b>MACT Title</b>
Auto & Light Duty (surface coating)
Boat Manufacturing
Brick and Structural Clay Products Manufacturing
Chlorine Production
Combustion Turbines
Commercial and Industrial Solid Waste Incinerators: Performance Standards
Cr Emissions: Hard and Decorative Electroplating & Anodizing Tanks
Engine Test Cells/Standards
Epoxy Resins & Non-Nylon Polyamides Prodn.
Fabric Printing, Coating & Dying
Flexible Polyurethane Foam Fabrication
Friction Products Manufacturing
Halogenated Solvent Cleaning
Industrial, Commercial & Institutional Boilers & Process Heaters
Iron and Steel Foundries
Large Appliance (Surface Coating)
Leather Finishing
Lime Manufacturing
Manufacturing Nutritional Yeast
Metal Can (surface coating)
Metal Coil (Surface Coating) Industry
Metal Furniture (surface coating)
Mineral Wool Production
Misc Coating Manufacturer
Miscellaneous Metal Parts (surface coating)
Miscellaneous Organic Chemical Production and Processes
Municipal Solid Waste Landfills
Organic Liquids Distribution (non-gasoline)
Paper & Other Web Coating
Pesticide Active Ingredient Production
Pharmaceuticals Production
Plastic Parts & Products
Plywood & Composite Wood Products
Polymers & Resins I-IV
Printing and Publishing
Publicly Owned Treatment Works (POTWs)
Pulp and Paper (Cluster Rule)
Reciprocating Internal Combustion Engines
Reinforced Plastic Composites Production
Secondary Aluminum Production
Semiconductor Manufacturing
Site Remediation
Wood Building Products
Wood Furniture
